About Us

At *Walks with Seniors*, we provide active companionship to older adults in our community. We believe that regular movement and meaningful social interaction are vital to a senior's well-being. Our team helps seniors safely navigate outdoor trails, local parks, and indoor walking environments (such as shopping malls) while providing peace of mind to their families.

Role Summary

We are seeking compassionate, reliable, and active individuals to join our team as Senior Walking Companions. In this role, you will be paired with senior clients to safely escort them on scheduled walks. Because our service adapts to weather conditions and client mobility, you will be required to drive clients to safe indoor walking locations (such as malls or community centers) when necessary. You will also be responsible for submitting brief post-walk updates and photos to the client's family via our proprietary Walker App.

Key Responsibilities

- Provide friendly, engaging, and patient companionship during scheduled 45-to-60-minute walks.
- Safely escort seniors walking independently, or utilizing mobility aids such as canes, walkers, or wheelchairs.
- Drive clients safely in your personal vehicle to and from indoor walking locations (e.g., shopping malls) during inclement weather, or to specific requested walking trails.
- Closely monitor the client's pace, physical condition, and comfort level, adapting the walk as needed.
- Utilize the *Walks with Seniors* Walker App to clock completed walks and upload a photo and brief update note for the client's family.
- Maintain clear, professional communication with both the clients and the company administration.

- React calmly and appropriately in the event of an emergency, adhering to company safety protocols.

Mandatory Requirements & Qualifications

To ensure the absolute safety of our clients, the following requirements are strictly enforced:

- **Vulnerable Sector Check (VSC):** Must provide a clear, recent Vulnerable Sector Check prior to onboarding.
- **Vehicle & Licensing:** Must possess a valid, full Driver's License (Class G) and have daily access to a reliable, clean, and safe personal vehicle.
- **Insurance:** Must carry valid auto insurance with adequate liability coverage for transporting passengers.
- **Certifications:** Valid CPR and Standard First Aid certification is strongly preferred (or willingness to obtain upon hiring).
- **Technology:** Must own a smartphone with a reliable data plan to access the Walker App and navigate to client locations.
- **Experience:** Previous experience in caregiving, nursing, volunteering with seniors, or customer service is highly valued but not strictly required. Empathy and patience are paramount.

Physical Demands

The Walking Companion must be physically capable of walking continuously for up to 60 minutes at varying paces. The role requires the ability to assist seniors in and out of vehicles, push wheelchairs or walkers over various terrains (pavement, mall flooring, gentle trails), and offer a stabilizing arm for support.
